

Updated: January 2022

With the heightened level of caution due to the COVID-19 pandemic, we wanted to share with you the steps we have taken at Smith Chiropractic to help ensure your safety. Our staff remains 100% committed to protecting you and preventing illness in our community.

- **Waiting room optional:** If you would prefer to wait in your car until your treatment room is available, we are happy to send you a text message so that you may avoid the waiting room.
- **Facemasks:** Facemasks are mandatory for office staff and all who enter the office.
- **Temperature Check:** Anyone entering the office will be required to have their temperature checked. Anyone with a fever of 100.3 or above will be asked to leave.
- **Handwashing:** We encourage all patients to clean their hands immediately when they enter the office, and before they leave.
- **Payment Procedures:** The credit card machine has been relocated so that patients may swipe their own card. Signatures on receipts are not required at this time. We can also hold a credit card on file if you would prefer to avoid payment transactions.

Cleaning procedures:

- Treatment Tables are wiped down between each patient with an anti-viral formula.
- We use a superior Medical Disinfectant, which kills 99.999% of Bacterial and Viral germs.
- We have antiviral hand soap and paper towels in our restrooms. We encourage handwashing or sanitizing upon entering and leaving the office.
- Doorknobs, counters and the restrooms are frequently and thoroughly cleaned & sanitized.
- The carpet is cleaned regularly.
- We have wall-mounted hand sanitizer in our entrance hall and anti-viral wipes and sanitizer in each treatment room for your personal use. There is an exi-towel dispenser at the door.

We continue to closely monitor this public health situation daily and provide our patients with the most current and vital information from the State and National sources.

If you have any concerns, please ask Dr. Smith drsmith@drpatricksmith.com

Carrie, Meghan or Danny officemanager@drpatricksmith.com at any time!

We are here to help and together we will all get through this viral season healthy.
