WELLNESS MADE AFFORDABLE

Purpose: The purpose of our Wellness Made affordable (WMA) program is to make chiropractic care at Smith Chiropractic convenient and affordable.

Eligibility: Those qualified for membership must be recommended by Dr. Smith and must have agreed to and completed the terms of this agreement.

Exclusions: Care in the WMA program is NOT covered by insurance companies. Therefore, since it is **ineligible for insurance reimbursement, no insurance paperwork will be provided.** This program does not cover any (1) work-related injuries, (2) automobile accidents, (3) personal injury claims, or (4) any other condition with a third-party financial liability.

Plan Flexibility: A WMA member may come in and out of the WMA program as needed. However, any WMA treatments a member receives will not be eligible for insurance reimbursement at a later date since the criteria for reimbursement (e.g. detailed exam findings with diagnosis) will not have been generated.

Pretax Health Care Savings Plans: If you participate in a pretax health care savings plan, such as a Flexible Spending Account (FSA) or Health Savings Account (HSA), it is important you review the plan's parameters for reimbursement. A WMA transaction record can be provided to you upon request. This record does not provide an insurance diagnosis or procedure codes.
